
Library Services – Cinema

One of the available facilities at Library is the high-tech Cinema. This is an HD Cinema with high-quality equipment and around 100 movie theater seats which offers the full experience of watching a movie at a cinema.

- The Library conducts open-reservation sessions two days a week. These movie sessions follow a specific inspirational or motivational theme every semester in a variety of genres, such as action, drama, and sports.
- The faculty can also request a session at the Cinema to show a particular educational movie from AUM's online databases, where students can enjoy the clarity of the visuals as well as the full-surround sound system.

Working Hours

The Library is open from Sunday through Thursday from 8.00 AM to 8.00 PM. Library hours are adjusted during Midterm and Final Exams periods and during Ramadan. These changes are posted on Moodle. The library is closed on Public and University holidays throughout the year.
