Safety and Emergency

The campus security team is on duty 24/7 to ensure on-campus safety and security.

Security is an essential part of life on campus that is why all special events, renovations, plans for new facilities and the daily operations on campus are always evaluated for safety impact.

In addition to having CCTV Security Cameras, Firefighting Systems, Access Control System and security personnel present on campus, we have an evacuation plan during emergencies that all our internal stakeholders are familiar with.

Fire safety and evaluation:

If you see a fire:

- Activate the Fire Alarm located near all fire exits
- Evacuate the buildings by following the green Exit signs
- Gather at the general assembly point and wait for instructions
- Call the emergency numbers to report the fire:

  o 1120 or 22255111 AUM control room.
  o 112 Local Emergency services.

General Evacuation

Upon hearing the alarm:

- Do not Panic
- Leave the building through the nearest exit door (follow signs)
- Do not use elevators
- Proceed to the Assembly Point
- Fire Wardens or Security will be in attendance
- Inform the Fire Warden, Security or the Fire Service if you think someone may be left inside the building.
- Do not leave the Assembly Point or go back into the building until told.
